Long alif

Goal: Compare a short a with long ā.

Name: _____ Date: _____ · Work independently, then compare and explain with a partner.

1	2	3
بَ	بَا	بَابٌ

1 · Find and explain

Which has the long vowel: بَ or بَا?

2 · Match the model number

Write the matching number beside each clue. A grown-up may read the English aloud.

ba ___

bā ___

a door ___

3 · Use what you noticed

Compare بَ and بَا. Copy both. Circle the extra letter that supports the long vowel in the second example. Compare your answer with a partner and give the exact clue you used.

One small next step: □ revisit the model □ try with help □ explain independently
