Long alif

Goal: Compare a short a with long ā.

Name: _____ Date: _____ · Use a study routine: read, justify your answer and reflect on transfer.

1	2	3
بَ	بَا	بَابٌ

1 · Find and explain

Which has the long vowel: بَ or بَا?

2 · Match the model number

Write the matching number beside each clue. A grown-up may read the English aloud.

ba ___

a door ___

bā ___

3 · Use what you noticed

Choose one model for a practical reading situation. Explain the context and the exact feature or meaning that makes it useful; use English if needed.

One small next step: □ revisit the model □ try with help □ explain independently
