1 · Find and explain

Which letter has two dots above?

2 · Match the model number

Write the matching number beside each clue. A grown-up may read the English aloud.

bāʾ ___

tāʾ ___

thāʾ ___

3 · Use what you noticed

Create a two-item recognition check using the bank. Provide an English clue for each, then record the answers separately.

One small next step: □ revisit the model □ try with help □ explain independently
